

U-BOX-M3

Product Features

- ◆ Metal body with oxidized and CNC engraved surface, copper fan cooler
- ◆ Supports Intel Core 12/-13 generation-U/-P series processors
- ◆ Dual-channel DDR5 memory expansion, up to 64GB expansion
- ◆ HDMI 2.0/Type-C display
- ◆ Intel 2.5G network, single and dual network options; expandable WIFI, built-in antenna

Product specifications

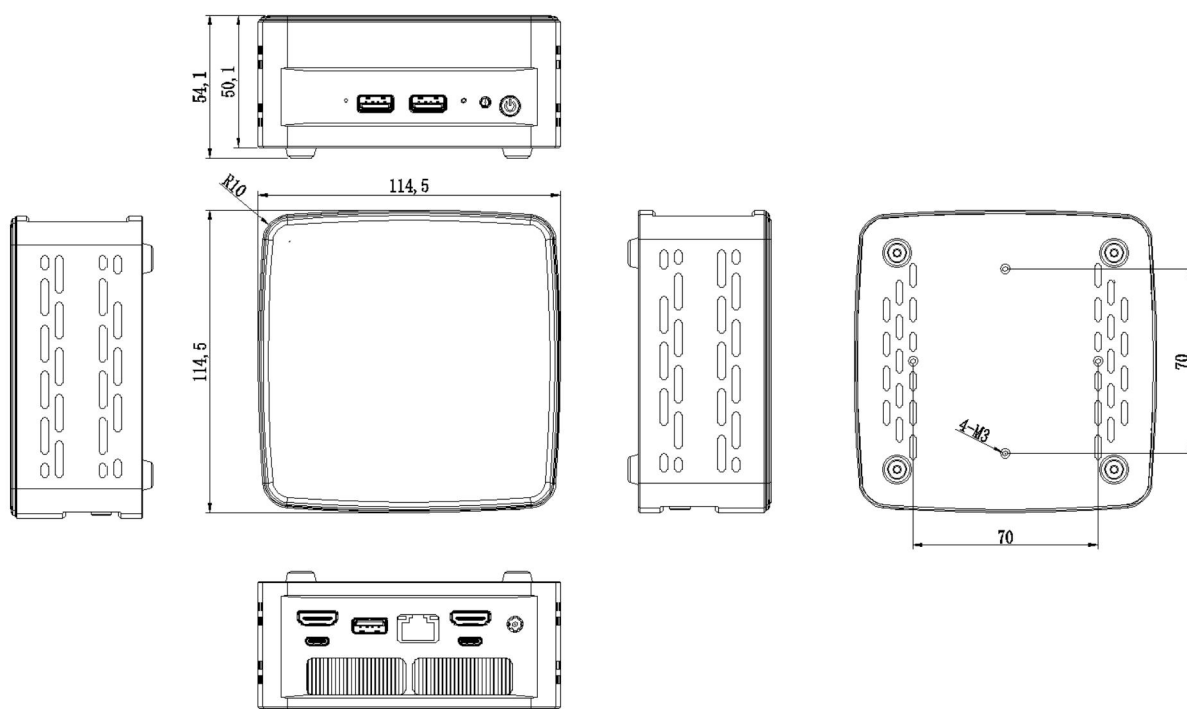

Model	U-BOX-M3
Dimensions	114.5x114.5x54mm for the machine, 181x153x112mm for the packaging, and 485x380x260mm for the outer box
Material	Aluminum body
Color	Default sky blue
Processor support	Onboard support for Intel Core 12th generation Alder Lake-U/-P and 13th generation Raptor Lake-U/-P series processors
Network card	Intel 2.5G network card, with single or dual network options
Wireless	Optional M.2 E-Key WIFI/BT with built-in antenna
Memory	2 DDR5 SO-DIMM slots, with a maximum expandable capacity of 64GB
Storage	1 M.2 2280 slot (supports PCIe4.0 x4 NVMe protocol)
I/O interface	1 power switch, 2 Intel 2.5G network cards (with single or dual network options), 2 HDMI2.0 interfaces, 2 Type-C interfaces (USB3.2 + DP), 1 DC power port, 1 dual-purpose audio port, and 2 USB3.1 interfaces
Power supply	DC 12-19V, 150W
OS support	Windows 10, Windows 11, Linux, etc.
Packaging	Default white packaging with dimensions of 181x152x115mm

Model	U-BOX-M3
Single unit weight	Net weight of 1000g for the computer case (excluding adapter)
